The Philosophy of the Pathfinder Club

The purpose of having a Pathfinder Club is to lead its membership into a growing, redemptive relationship with Christ, to build its members into responsible, mature individuals, and to involve its membership in active, selfless service. All Pathfinder leaders are Christians, working hand in hand with parents, teachers, and pastors, providing optimum opportunities for Christian development. The Pathfinder Club extends the home, school, and church. It is an experimental laboratory where growth and learning flourish. The membership involves youth in grades 5-10 (age 10-16) who desire group activities ranging from community and world mission projects to nature, outdoor, and camping activities, AY/Pathfinder class curriculum, and AY Honors. Above all, Pathfinding gives youth an environment to actively expand their personal experience with Christ.

Board Member's Commitment to Pathfinders

We, the undersigned, have read, understand, and are in full agreement with the above Philosophy of the Pathfinder Club and agree to support our club through those means with which the Lord has blessed this church, including finances, staff volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry, and to assist and support the work of the Pathfinder ministry in this conference and around the world.

The Philosophy of the Adventurer Club

The Adventurer program was created to assist parents in their essential responsibilities as a child's primary teachers and evangelizers. The program aims to strengthen the parent/child's development in spiritual, physical, mental, and social areas. Through the Adventurer program, the church, home, and school can work with the parent to develop a mature, happy child. The Church's greatest resource is our children. Therefore, it is imperative that, as a church, we meet the challenge to provide a program for our children during their early, formative years. We want the right habits, thoughts, motives, dispositions, and attitudes to be established. The Adventurer Club involves preschoolers, kindergarteners, children in grades 1-4, and their parents. One of the Adventurer Club's Objectives is to provide a meaningful, exciting experience as the children look forward, with anticipation, to someday being Pathfinders.

Board Member's Commitment to Adventurers

We, the undersigned, have read, understand, and are in complete agreement with the above Philosophy of the Adventurer Club and agree to support our club through those means with which the Lord has blessed this church, including finances, staff volunteers, securing a place to meet, transportation on outings, and other such needs as may arise in the fulfillment of this ministry, and to assist and support the work of the Adventurer ministry in this conference and around the world.
