# STUDENT ASSESSMENT

# READINESS FOR COLLEGE (2015)

% OF STUDENTS READY FOR COLLEGE LEVEL COURSEWORK

# IOWA ASSESSMENTS

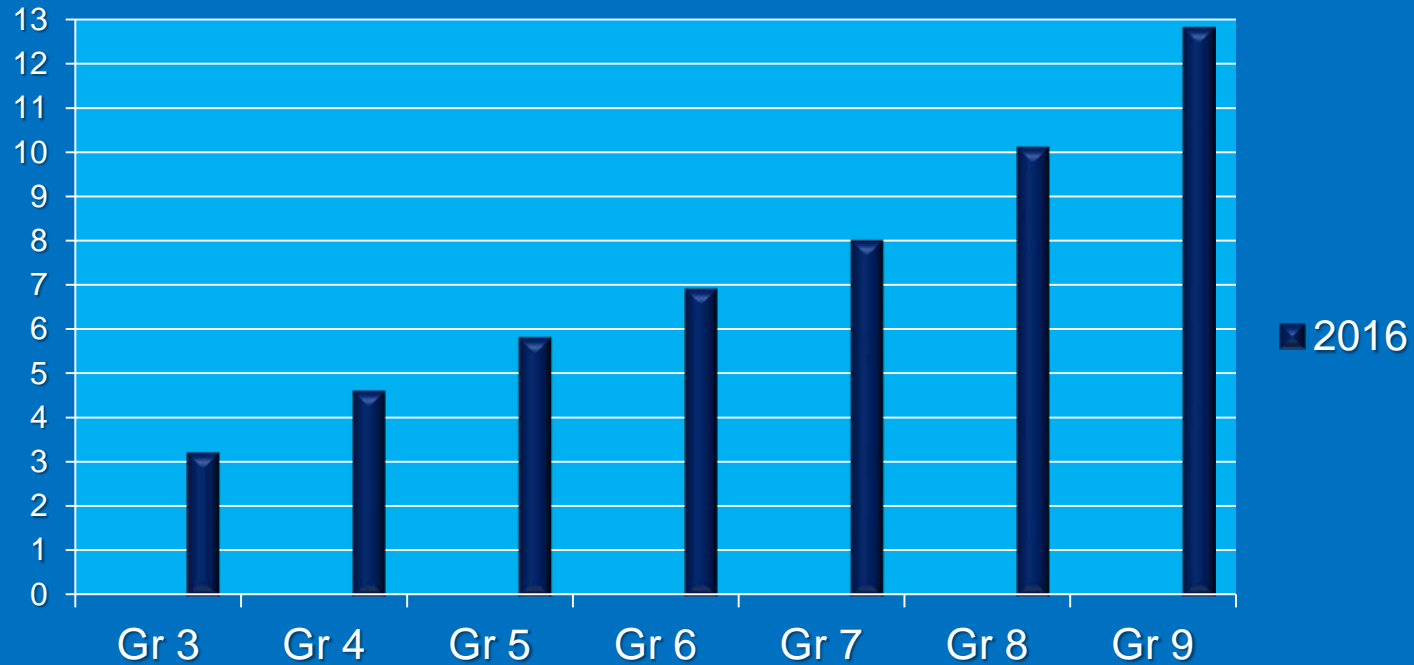

# PURPOSES OF ACHIEVEMENT TESTING

- **Identify Strengths and Weakness**
  - Make “relative comparisons of student performance from one content area to another
- **Monitor Growth**
  - Describe changes in student performance over time
- **Inform Placement Decisions**
- **Make Comparisons**
  - Compare student performance with the performance of national groups
- **Support Accountability**
  - Provide reliable and valid information

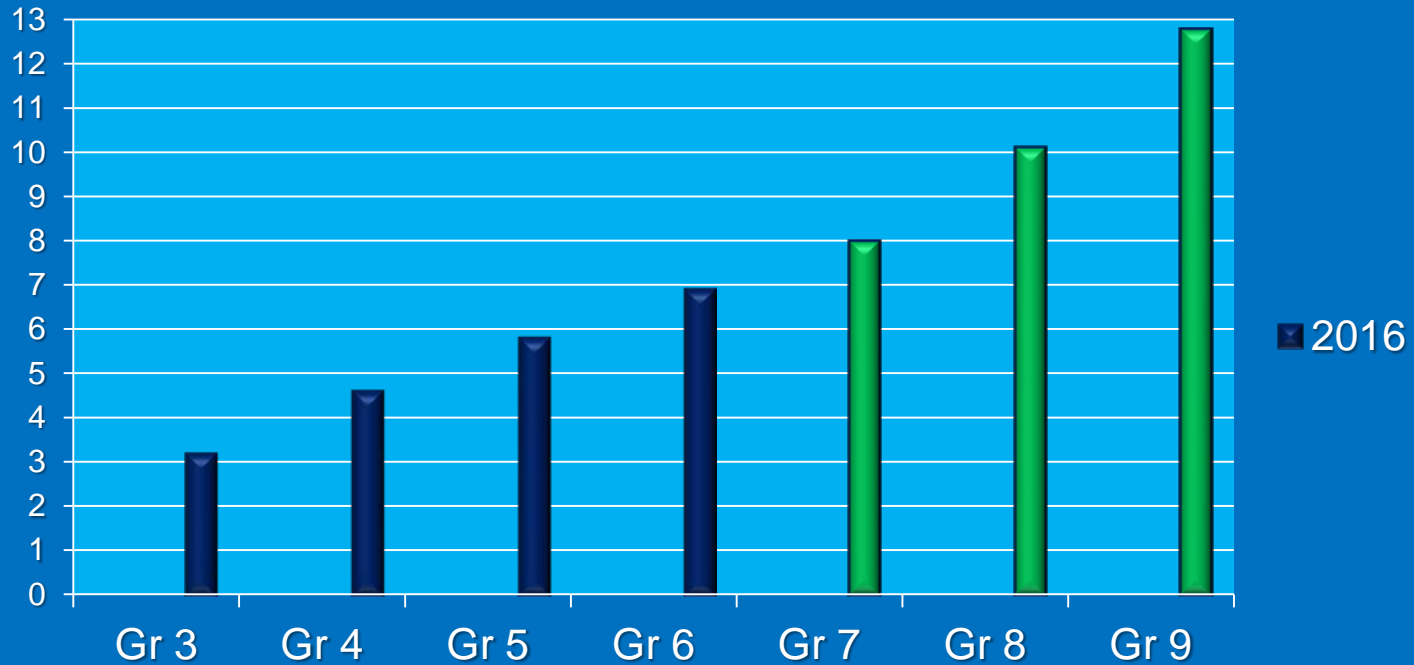

# A NOTE ABOUT GRADE EQUIVALENTS

- A number that describes a location on an achievement continuum
- Describes performance in terms of grade level and months (e.g. 3.6)
  - If sixth grader, Nicki, gets a GE of 7.8 on the Vocabulary test, her score is like a typical student at the end of the eighth month of seventh grade is likely to get on that **SAME** sixth-grade Vocabulary test. It doesn't indicate that Nicki is capable of doing work at the late seventh grade level
